

HOROSCOPES & HUMOUR

OUROBOROS

By Dave Tompkins

ARIES (March 21 – April 19)

Bad news: the monkey you get for your birthday is infected with the deadly Mutaba virus. Good news: you're immune. Bad news: your Leo friend is not.

TAURUS (April 20 – May 20)

For some strange reason, you get a personal butler. With the extra time your butler affords you, you can now hang out with your cool Scorpio inventor friend.

GEMINI (May 21 – June 21)

Convinced that all good performance art involves rubber chickens, you strap one to a rocket, make some statement about flight, and point it at a Virgo.

CANCER (June 22 – July 22)

When a treasure map falls into your lap, you'll go on a whirlwind adventure and find a magic lamp, but it will be snatched away by your Pisces enemy.

LEO (July 23 – Aug. 22)

There is no easy way to say this. You're going to be infected with the deadly Mutaba virus. We suggest that you give all your possessions to a Libra friend.

VIRGO (Aug. 23 – Sep. 22)

A rubber chicken will soon come hurtling toward you. You'll narrowly avoid it, but it will hit a lever that causes a piano to fall on a nearby Sagittarius.

LIBRA (Sep. 23 – Oct. 23)

After a friend's death, you'll inherit their stuff, which is mostly junk. But... there will be a treasure map! And your Cancer friend can help you translate it!

SCORPIO (Oct. 24 – Nov. 21)

You will invent something spectacular that will make you rich beyond your wildest dreams. Idly rich, you'll waste money on hiring a Gemini to perform for you.

SAGITTARIUS (Nov. 22 – Dec. 21)

You'll die in an unfortunate mishap that involves a rubber chicken. You'll be reincarnated as a monkey in a pet store and be purchased by an Aquarius.

CAPRICORN (Dec. 22 – Jan. 19)

This month you will feel that you are disconnected from the rest of the world. You'll question your role in the universe and wonder if you make a difference.

AQUARIUS (Jan. 20 – Feb. 18)

You'll be in panic trying to find a birthday present for your Aries friend. On a whim, while walking by a pet store, you'll buy them a monkey – a really bad idea.

PISCES (Feb. 19 – March 20)

Those fools! You'll acquire a magic lamp. But when your first wish is for more wishes, the Genie will go berserk and force you to be a butler for a Taurus.
