

# HOROSCOPES & HUMOUR

By Dave Tompkins

THIS MONTH STARTING LINES WERE STOLEN FROM ASTROLOGY.YAHOO.COM

## ARIES (March 21 – April 19)

*The Full Moon on Dec. 8 encourages contacts with all kinds of people. So please wash your hands after you go to the bathroom. We're watching...*

## TAURUS (April 20 – May 20)

*At the end of the month, friendships are lively, and possibly a little challenging. Your friends will challenge you to some Festivus feats of strength.*

## GEMINI (May 21 – June 21)

*Mid-month, you may need to deal with financial responsibilities associated with family. That means a trip to the drugstore and a home pregnancy test.*

## CANCER (June 22 – July 22)

*Be a little bit careful about making impulsive moves on December 17. Throw caution to the wind: get drunk, grab your credit card & watch info mercials.*

## LEO (July 23 – Aug. 22)

*Wonderful energies between the love planets suggest a happy and lighthearted time. We're not going to ruin this one: go have a lighthearted time.*

## VIRGO (Aug. 23 – Sep. 22)

*Celebrate the qualities in your partner that attracted you in the first place. I can't wait to see how you're going to "celebrate" their "nice ass".*

## LIBRA (Sep. 23 – Oct. 23)

*There may be a conflict between your expectations and those of a family member. Pay closer attention when 'sis requests a vibrating phone for Christmas.*

## SCORPIO (Oct. 24 – Nov. 21)

*You are likely to be thinking big, magical, and exciting! We're guessing either Penn Jillette or the Return of the King... whichever works for you.*

## SAGITTARIUS (Nov. 22 – Dec. 21)

*The New Moon in Capricorn could bring you back to reality on December 23. You've strayed from reality TV lately, but you'll be back... you junkie.*

## CAPRICORN (Dec. 22 – Jan. 19)

*Vanquish that "bah, humbug" attitude! You haven't vanquished anything for a while, and we know you've been itching to do some, so enjoy it.*

## AQUARIUS (Jan. 20 – Feb. 18)

*You may not be traditional but you can always enjoy fresh faces and interesting conversation. And you'll get lots of that in your new prison block.*

## PISCES (Feb. 19 – March 20)

*Working on a pet project at the end of the month may be especially pleasurable. But only at the end of the month. The rest of the month will be hell.*
