

HOROSCOPES & HUMOUR

YOUR VALENTINE'S DAY SPECIAL

By Dave Tompkins

ARIES (March 21 – April 19)

Roses are red, violets attract bees...
This month your orgasms...
Will be occurring in threes.

TAURUS (April 20 – May 20)

Roses are red, Violet is an ex-girlfriend of mine...
This month will be illogical, chaotic and moody...
Just like Violet.

GEMINI (May 21 – June 21)

Roses are red, violets are teal...
Sorry to burst your zodiac bubble...
But these horoscopes aren't really real.

CANCER (June 22 – July 22)

Roses are red, violets are cyan...
Now if you can't be with the one you love...
Go to your backup plan.

LEO (July 23 – Aug. 22)

Roses are red, and violets don't have a thorn...
After filming your festivities...
You'll have your own valentine's porn.

VIRGO (Aug. 23 – Sep. 22)

Roses are red, violets grow in the ground...
Your crush thinks you're an idiot...
But they'll come around.

LIBRA (Sep. 23 – Oct. 23)

Roses are red, violets are black...
Good things will be happening...
To you in the sack.

SCORPIO (Oct. 24 – Nov. 21)

Roses are red, violets are pretty...
How could you be single?
You're so damn clever and witty.

SAGITTARIUS (Nov. 22 – Dec. 21)

Roses are red, violets are a cliché...
Do something crazy...
Like have a game of croquet.

CAPRICORN (Dec. 22 – Jan. 19)

Roses are red, violets are nifty...
Your valentine's day gift would be great...
If you weren't so stingy and thrifty.

AQUARIUS (Jan. 20 – Feb. 18)

Roses are red, violets are a flower...
It's too bad that your partner...
Requires battery power.

PISCES (Feb. 19 – March 20)

Roses are red, violets are blue...
Your horoscope is blank...
So it all depends on you.
