

HOROSCOPES & HUMOUR *by Dave Tompkins*

NEW YEAR'S: RESOLUTIONS & REALITY ISSUE

ARIES *(March 21 – April 19)*

RESOLUTION: To read more books.

REALITY: You'll start some books – but soon they will join your unfinished book collection – as you enjoy more web surfing, television and sleep.

TAURUS *(April 20 – May 20)*

RESOLUTION: To lose weight.

REALITY: You will lose your keys, your sanity, your fortitude, and your sense of direction – on the other hand, you will gain experience and weight.

GEMINI *(May 21 – June 21)*

RESOLUTION: To travel more.

REALITY: You should pick up the lonely planet™ guide for the route between your apartment and campus, because that's all the traveling you'll do.

CANCER *(June 22 – July 22)*

RESOLUTION: To drink less alcohol.

REALITY: Man, what were you thinking? You must have been drunk or something when you made this one – nobody stops the booze express!

LEO *(July 23 – Aug. 22)*

RESOLUTION: To re-organize your kitchen.

REALITY: Your resolution is going to seem even more pathetic as 2004 approaches and you find yourself with a smelly fridge and a messier kitchen.

VIRGO *(Aug. 23 – Sep. 22)*

RESOLUTION: To be “master of your domain.”

REALITY: You won't last a week.

LIBRA *(Sep. 23 – Oct. 23)*

RESOLUTION: To start saving some money.

REALITY: What you should really start saving are those Razor scooters – in 40 years when they're back in vogue, those originals will be worth a mint!

SCORPIO *(Oct. 24 – Nov. 21)*

RESOLUTION: To exercise more.

REALITY: Unless they come up with a new category of “exercise” that includes sitting on your ass in front of the computer, you won't make it.

SAGITTARIUS *(Nov. 22 – Dec. 21)*

RESOLUTION: To stop procrastinating.

REALITY: This resolution might have stuck, if only you made it on time – but don't worry – you can always make it next week, or the week after...

CAPRICORN *(Dec. 22 – Jan. 19)*

RESOLUTION: To be more zen-like

REALITY: A person of the way fundamentally does not dwell anywhere. The white clouds are fascinated with the green mountain's foundation.

AQUARIUS *(Jan. 20 – Feb. 18)*

RESOLUTION: To give back to the community.

REALITY: To help you in this noble endeavour to give back to your fellow man, the court will mandate you to perform community service.

PISCES *(Feb. 19 – March 20)*

RESOLUTION: To stop reading horoscopes.

REALITY: You blew that one didn't you?
