By Dave Tompkins

IT'S A NEW YEAR: WE CHANGED OUR FONT (big whoop) TIME FOR YOU TO CHANGE...

ARIES (March 21 – April 19)

Give all of your old socks to the Salvation Army, and then buy new ones: It will change your outlook on life and your fungal concerns.

TAURUS (April 20 – May 20)

You're in a rut, and you need to snap out of it. Try slouching on the other side of the couch and holding your remote with your left hand.

GEMINI (May 21 – June 21)

You should turn and face the strain. You're just gonna have to be a different person. Time may change you, but you can't trace time.

CANCER (June 22 – July 22)

You should change your vices this month to see how other people live. Choose from smoking, drinking, drugs, gambling and porn.

LEO (July 23 – Aug. 22)

Change your underwear: from boxers to briefs, bikini to thong, etc.. If you go commando, try getting a nice silk blend and some decency.

VIRGO (Aug. 23 – Sep. 22)

While cooking this month, replace the water in your recipes with milk... it will add a creamy richness to your life and much needed calcium.

CAPRICORN (Dec. 22 – Jan. 19)

Start listening to Christian rock. You need some moral, uplifting messages that you can tap your feet to, and you're not getting it here.

AQUARIUS (Jan. 20 – Feb. 18)

Change can be good, but sometimes it can be an utter disaster... What we're really trying to say is... You should really lose that moustache.

PISCES (Feb. 19 – March 20)

Maybe you should change what kind of partner you're looking for: instead of thin and fit, grab the love handles of someone pleasingly plump.
