

# HOROSCOPES & HUMOUR

by Dave Tompkins

## THE “DAVE IS LOOKING FOR SOME GOOD KARMA” ISSUE

### **ARIES** (March 21 – April 19)

You will finally get the second chance that you so desperately need. This time you won't screw it up, and you won't soil your undergarments.

### **TAURUS** (April 20 – May 20)

The stars have been impressed with you lately. You'll be rewarded with an extra serving of peace w/ harmony sauce and a side of goodwill.

### **GEMINI** (May 21 – June 21)

You covet and you covet, and you covet some more. But soon, the tables will turn and *they* will be jealous of *you*. You lucky bastard.

### **CANCER** (June 22 – July 22)

You don't always get what you want, and sometimes you get what you need. This month you'll get both – so *carpe diem* and go for it!

### **LEO** (July 23 – Aug. 22)

We don't want to ruin your surprise, but we're just so damn excited for you that we can't help ourselves. Hint: Buy oodles of lottery tickets!

### **VIRGO** (Aug. 23 – Sep. 22)

They say it's the journey, not the destination. But when you achieve one of your goals, you'll realize that destinations can totally kick ass too!

### **LIBRA** (Sep. 23 – Oct. 23)

“You-know-who” is finally going to realize that you are the right person for “you-know-what” and pretty soon, well... “you know”.

### **SCORPIO** (Oct. 24 – Nov. 21)

You are the future. You are the past. You are the sun. You are the wind. You are the one that can climb any mountain. Never forget that.

### **SAGITTARIUS** (Nov. 22 – Dec. 21)

Guess what? A gypsy accidentally put a curse on you a few years ago. This month, the clerical error will be detected and the curse will be lifted.

### **CAPRICORN** (Dec. 22 – Jan. 19)

Soon you will win “SECOND PRIZE IN A BEAUTY CONTEST!” and collect \$10. Later, you will advance to go and collect another \$200.

### **AQUARIUS** (Jan. 20 – Feb. 18)

You will be reminded again this month that you are loved, and people believe in you. Draw upon this to inspire yourself to work on your thesis.

### **PISCES** (Feb. 19 – March 20)

Sometimes an event will occur that will bring you joy and happiness, exceeding all of your expectations: New Harry Potter movie, baby!
