

# HOROSCOPES & HUMOUR

By Dave Tompkins

THESE ARE ALL BASED UPON FORTUNE COOKIES OBTAINED AT THE GSS CHINESE MID-AUTUMN FESTIVAL

## ARIES (March 21 – April 19)

*There is a prospect of a thrilling time ahead for you. In bed. So there. We got the completely obvious one out of the way. Now we can move on.*

## TAURUS (April 20 – May 20)

*A pleasant surprise is in store for you. Did we say pleasant? We meant pheasant. Seriously. Some crazy bird is going to scare the crap out of you.*

## GEMINI (May 21 – June 21)

*You will have no problems in your home. Ahh... see the loophole? Problems (plural). You will have one serious problem in your home, but just the one.*

## CANCER (June 22 – July 22)

*You will do well to expand your business. You'll expand your business, your waistline, your credit card debt: you'll be expanding all over the place.*

## LEO (July 23 – Aug. 22)

*A friend is a present you give yourself. Of course, it's not the PowerMac G5 that you really want, but sure, a friend is good too. I guess. But a G5's better.*

## VIRGO (Aug. 23 – Sep. 22)

*Your winsome smile will be your sure protection. Oh, man. This one is just way too obvious. As a take-home exercise, construct your own STD joke.*

## LIBRA (Sep. 23 – Oct. 23)

*You have a friendly heart and are well admired. Yes, but you're not well admired for your friendly heart, but rather your super-sexy sweet tight ass.*

## SCORPIO (Oct. 24 – Nov. 21)

*You have great physical powers and an iron constitution. Actually, it turns out you're a superhero, so go use your iron constitution to fight crime.*

## SAGITTARIUS (Nov. 22 – Dec. 21)

*You love peace. Ha! You love peace. You & peace, sitting in a tree, k i s s i n g. Actually, we shouldn't joke, because peace is going to break your heart.*

## CAPRICORN (Dec. 22 – Jan. 19)

*Soon you will be sitting on the top of the world. But it's really going to be one of those world-shaped whoopee cushions – man, are they funny.*

## AQUARIUS (Jan. 20 – Feb. 18)

*The will of the people is the best law. Actually, Newton's 4<sup>th</sup> law of motion is the best law. But right next on the list is that will of the people thing.*

## PISCES (Feb. 19 – March 20)

*Fortune truly helps those who are of good judgement. You're reading this ... ergo, you have crappy judgment. So no fortune helping for you.*
