

**CS886 - AI and Philosophy  
Fall 2017**

**Prof. Robin Cohen**

**Time and location: (expected: Monday mornings 9am-11am; DC2568)**

This message is dated September 15, 2017. CS886 AI and Philosophy is no longer accepting expressions of interest, in order to obtain a permission number to take the course for credit.

Note (dated September 28, 2017): A few people have been approved for audit status in the course. This is the reason that the enrolment cap appears to be larger than 14 (the size of class being used this term for all required tasks).
