

Network Update

CSCF Staff Meeting
2010-9-29

What's new with the network?

- EduRoam and uw-secure
 - uw-secure to cease advertising Oct 5
 - uw-secure to go away Nov 1
- hostnames with dots
 - cscf.uwaterloo.ca done, some glitches
 - student.cs.uwaterloo.ca next, end of this term(?)
 - be careful allocating names in Maintain

...and

- vlan 26 is now called “csresearch2”
 - new firewalled (zone 5) research server network
- vlans 74 and 75
 - removed from MC, now DC only
- vlan trunking
 - not automatic (not “everything everywhere”)
 - ask, and it shall be done
