Call for Poster Presentations - CPI Annual Event

Our global economy depends on the digital systems that empower our everyday life. While our digital society holds tremendous promise for increased prosperity and innovation, it also exposes us to growing security breaches that put personal privacy and our social agency at risk.

Join cybersecurity and privacy experts as we examine the current threat landscape of cybersecurity and the future workforce needs for privacy and cybersecurity professionals. You will meet global thought leaders and experts transforming cybersecurity and protecting our privacy.

The Cybersecurity and Privacy Institute at the University of Waterloo is hosting their Annual event on October 2, 2019 – providing a unique form for students to network with faculty and present their research projects around cybersecurity and privacy. There will be 3 prizes of $1000 each for the top 3 posters.

Undergraduate and graduate students will be asked to submit a poster presentation abstract (up to 200 words) by the submission date of September 24, 2019 at 5:00pm. The CPI poster session is intended to highlight poster that feature: proposals for future research; overview of research processes; or results of student’s project in an area of research related to an area of cybersecurity and privacy. The poster session is open to all Annual event attendees. Student posters will be on display and there will be a dedicated meet and greet time for conference attendees to view the posters.

Submission Process: In order to submit a poster presentation abstract for consideration, please submit an abstract (up to 200 words) to Krista Hrin.

There will be no cost to attend the CPI Annual Event for students with accepted poster abstracts.

Important Dates:
• Poster abstract submission deadline: September 24, 2019 at 5:00 p.m.
• Notification of decision to include poster: September 25, 2019 at 5:00 p.m.

General Guidelines: Please format the poster as follows:

• Standard Poster Size: 36 inches X 48 inches; Layout: Landscape or Portrait
• Materials: Paper-based (with matte finish or coated paper) or foam board (excluding tri-folds)

Information to include: Title of poster, Presenter’s name, Department, Faculty, Phone, Email, Purpose of research, Method, Findings, and 3 to 4 key words/themes If the poster is accepted, the presenting author is required to register for the Annual Event bring the printed poster to the registration desk, and present the poster at the Annual Event.

If you have further questions, please direct them to Krista Hrin (krista.hrin@uwaterloo.ca), Operations Manager, CPI.

The CPI Annual Event planning committee looks forward to your submissions!
