

CS 432 Assignment 1

Due Date

- Wednesday, September 17, 12 noon in the 3rd floor MC assignment boxes
- Late work will *not* be accepted!

Assignment

Hand in *exactly* one sheet of paper, normal fonts (10 or 12) and margins, single-spaced, printed both sides. Include your name and ID number at the top of the first page.

Read “Publicly Private and Privately Public: Social Networking on YouTube”, Patricia G. Lange, *Journal of Computer-Mediated Communication*, Volume 13, pp. 361–380, International Communication Association, 2008. This article can be found in UW-ACE under Lessons.

Summarize the article on one side of the page. On the back, critique the article for half a page, with both positive and negative comments about the article. For the final half page, suggest some additional research or future work that could be done based on ideas from this article.

In your paper include at least a discussion of what the author had to say about the topic (summary) and what **YOU** think about the topic (critique). In an essay of this size, it's important to be concise.
