Duration: 2 hours 30 minutes (150 minutes)

Exam ID: 4824235

Sections: CS 360 LEC 001

Instructors: Collin Roberts

Additional Materials Allowed: any calculator

Instructions (Read carefully before the exam begins):

1. Before you begin, make certain that you have one exam booklet containing 26 pages.
2. **Free-Form Answer Questions**
 - (a) Answer each question in the space provided in this exam booklet.
 - (b) Your grade will be influenced by how well you organize your solutions and how clearly you express your ideas.
 - (c) If you need more space to complete an answer, you are likely writing too much.
 - (d) However, if you need more space, then use the blank pages at the end of the free-form answer section, and indicate that you have done so in the space for the original question.
3. **True / False Answer Questions**
 - (a) Fill in the better answer for each question **on the answer pages provided at the end of this exam booklet.**
 - (b) Answers indicated on the question pages in this exam booklet **will not be marked.**
