WHAT ARE YOU WATCHING?

IT'S A SITCOM CALLED
"THE BIG BANG THEORY"

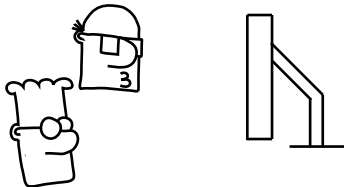

WHAT'S IT ABOUT?

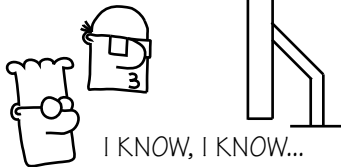

IT'S ABOUT TWO SOCIALLY
AWKWARD ACADEMICS WHO
ARE INEPT AT "REAL LIFE"...

...THEY MAKE A LOT OF GEEKY
JOKES AND REFERENCE NERD
(SUB) POP-CULTURE

HOLD ON NOW... THEY'RE MIXING
DIET COKE & MENTOS BUT THEY
ARE MISREPRESENTING HOW
POTASSIUM BENZOATE AFFECTS
THE REACTION! HOW ABSURD!

I KNOW, I KNOW...

IT'S DOWNRIGHT APOCRYPHAL...
I'M CONSTANTLY UPDATING THE
BBT FACTUAL ERROR WIKI...
I HATE IT WHEN HOLLYWOOD
GETS IT ALL WRONG. -SIGH-
