

HOROSCOPES & HUMOUR

OUR DEDICATION TO THE BOOB TUBE

By Dave Tompkins

ARIES (March 21 – April 19)

Three's Company: This month will be filled with humorous misunderstandings, sexual innuendo, make-believe homosexuality, & clumsy tomfoolery.

TAURUS (April 20 – May 20)

Baywatch: OK, we've never actually seen an entire episode, but your month will involve scantily-clad pretty people running in slow motion on the beach.

GEMINI (May 21 – June 21)

Quantum Leap: You'll find yourself in the body of someone else, help to rectify some wrongs, and hope that *this* month will be your final leap home.

CANCER (June 22 – July 22)

X-Files: This month the cigarette smoking man will continue his alien something or other... and it will be up to you to save the day with your sexual tension.

LEO (July 23 – Aug. 22)

Jerry Springer: Soon after discovering that your transvestite uncle/sister is cheating on you with your stripper husband/brother, you'll get hit with a chair.

VIRGO (Aug. 23 – Sep. 22)

Cosby Show: As a successful black doctor, you'll dispense wisdom, deliver clever anecdotes, wear stylish sweaters... all while peddling Jell-O pudding.

LIBRA (Sep. 23 – Oct. 23)

Inspector Gadget: Dr. Claw will hatch a diabolical scheme and you'll end up chasing a disguised dog around while your go-go-gadgets malfunction.

SCORPIO (Oct. 24 – Nov. 21)

Survivor: There will be lots of plotting, scheming, and product placements. Eventually... when the tribe has spoken, you can go home and shower.

SAGITTARIUS (Nov. 22 – Dec. 21)

CSI: It will be up to you to solve a murder. There will be rubber gloves and pseudo-scientific babble in the exciting glitter of a Las Vegas lab.

CAPRICORN (Dec. 22 – Jan. 19)

CSI Miami: It will be up to you to solve a murder. There will be rubber gloves and pseudo-scientific babble in the sweltering heat of a Miami lab.

AQUARIUS (Jan. 20 – Feb. 18)

Sex & the City: You'll have Samantha's sex life, Miranda's career success, Charlotte's romanticism, and Carrie's clever, cunning and biting wit.

PISCES (Feb. 19 – March 20)

The A-Team: While hiding from authorities, you'll come to the aid of a helpless soul, build some crazy stuff, and ultimately have your plan come together.
