

H.O.R.O.S.C.O.P.E.S

By Dave Tompkins

ARIES (March 21 – April 19)

MONICA: News flash! Your obsessive-compulsive behaviour is not a cute little quirk, but rather a huge pain in the ass for everyone around you. Get help.

TAURUS (April 20 – May 20)

ROSS: Your future is either a) an academic success story or b) filled with dinosaurs and many failed marriages. Hey – it's multiple choice: you can pick.

GEMINI (May 21 – June 21)

PHOEBE'S TWIN SISTER URSULA: You live a charmed life. You accidentally blunder along from one success to another. You should be a politician.

CANCER (June 22 – July 22)

JANICE: OH...MY...GAWD! Your fate is to relive all of your poor decisions, your bad relationships and your utter failures over and over and over and

LEO (July 23 – Aug. 22)

RACHEL: OK, so you're a hotty and everyone loves you, but despite your grownup exterior, inside you're still a spoiled selfish little brat. It's time to grow up.

VIRGO (Aug. 23 – Sep. 22)

ROSS'S MONKEY MARCEL: You have permission to act like the savage monkey you are. Feel free to fling your feces and pleasure yourself all you want.

LIBRA (Sep. 23 – Oct. 23)

JOEY: How you doin'? Just fine. People know you are shallow, naïve, and not very deep, but they don't care. Life really is about sandwiches & getting laid.

SCORPIO (Oct. 24 – Nov. 21)

GUNTHER: Your life is full of disappointment. Everything you desire will exist just beyond your reach – taunting you and flirting with you every day.

SAGITTARIUS (Nov. 22 – Dec. 21)

UGLY NAKED GUY: You have acquaintances, but very few close friends. You need to open up a little, make yourself more approachable and put pants on.

CAPRICORN (Dec. 22 – Jan. 19)

PHOEBE: You are mostly misunderstood, but it doesn't seem to bother you much. You must always be true to yourself, your beliefs, and your free spirit.

AQUARIUS (Jan. 20 – Feb. 18)

CHANDLER: Could you *BE* any less aware of who you are? In your mind, you're very charming and witty. In reality you live very far from Funnyville.

PISCES (Feb. 19 – March 20)

FAT MONICA: You have potential, but you must wake up, smell the latte and stop your self-loathing. You need more *Carpe Diem* & less *Carpe Donutus*.
