

Course wrap up

Uncertainty:

- time (T)
- decisions (D)
- learning (L)
- multi-agent (MA)
- partial obs (PO)

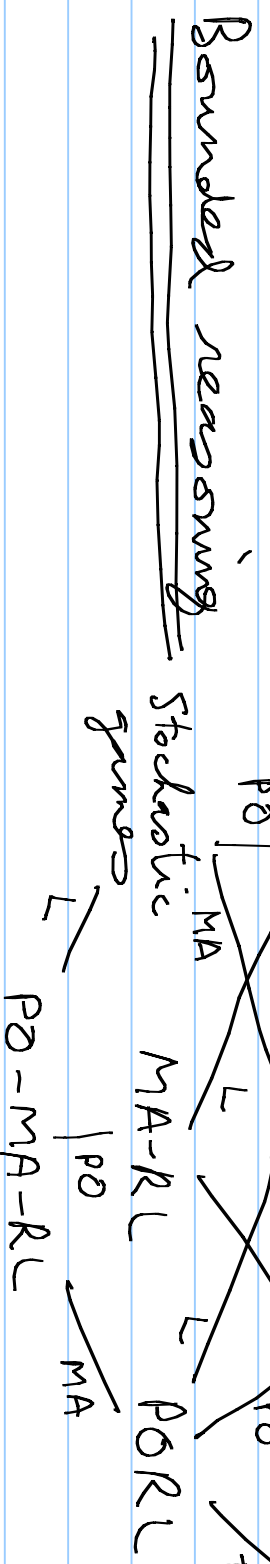

Area of focus is:

MA-MDP → POMDP → RL → Unsupervised Learning

PO-MDP → POMDP → RL → Unsupervised Learning

MA → MDP → RL → Unsupervised Learning

PO → MDP → RL → Unsupervised Learning

Future courses:

Winter 2006:

CS886 Self-Interested Multi-Agent Systems (Kate Larson)

CS698 Machine Learning (Shai Ben-David)

Summer 2006:

CS886 Knowledge Representation (Chrysanne DiMarco)
