

CS697 - Graduate Research Skills Seminar - Fall 2011

Prof. Robin Cohen

Mondays 11:30am-1pm – Location: DC3313

NOTE: First Class will be in MC2036. Oct 17 and Nov 21 will be in DC1304.

Graduate students receive credit for completing this course, if they have attended a minimum of 8 out of the 11 classes. Attendance will be taken. Note that CS697 cannot be used to satisfy the course requirements of either the Masters or PhD degree.

The purpose of the course is to introduce graduate students to a number of challenges and skills that are relevant to graduate studies in computer science at the University of Waterloo. A majority of the classes include guest speakers. A few of the classes involve hands-on activities.
